**ATTRACTING BEES AND BUTTERFLIES TO YOUR GARDEN**

*Curious about how to attract more bees and butterflies to your garden? Come learn what makes bees, butterflies and other insects beneficial pollinators in our landscape and what specific plants provide nourishment and protection during each stage of their life cycle. Durham County Master Gardeners Gene Carlone and Faye McNaull will also include tips and perspectives on the proper use of herbicides and insecticides in the gardens and lawns that we share with these valuable creatures.*
